Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

Terminal disclaimer with disclaimer fee			
Since this utility/plant application was filed o	n or after June 8, 1995, no terminal disclaimer is required.		
A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ for a small entity or \$ for other than a small entity) disclaiming the required period of time is enclosed herewith (see			
PTO/SB/63).			
4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the			
filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and			
Trademark Office may require additional information if there is a question as to whether either the			
abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c),			
subsections (III)(C) and (D)).]	VADNING.		
WARNING: Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may			
contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by			
the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the			
USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication			
of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance			
of a patent. Furthermore, the record from an abandone	d application may also be available to the public if the application is		
referenced in a published application or an issued patent	(see 37 CFR 1.14). Checks and credit card authorization forms PTO- the application file and therefore are not publicly available.		
2000 submitted for payment purposes are not retained in	the application life and therefore are not publicly available.
